Description
Meet with recruitment staff and recent graduates from the Department of Prime Minister and Cabinet (PM&C) in the CBE Building Foyer.

This could be your final chance to speak with staff from PM&C before applications close for their 2020 Graduate Programs on 28 April.

Drop by the PM&C Information stand in the CBE Foyer between 1pm-3pm on Tuesday 23 April to:

- learn about the PMC 2020 Graduate Program
- explore the opportunities available within the 3 recruitment streams (Indigenous Affairs stream, Corporate and Government stream and the Generalist stream).
- understand how your degree and skills can be applied in the work of the Department
- gain insights into the graduate recruitment and selection process

Even if you have already submitted your application for the Graduate Program this is a wonderful opportunity to make yourself known to Department staff and to gain insights that will be useful in the next stages of the recruitment and selection process

The Department is particularly keen to promote its Corporate and Government stream to students of the College of Business and Economics. The PMC Corporate and Government areas cut across legal policy, parliamentary, cabinet and ministerial support, protocols and international visits, human resource management, communications and media, ICT and financial management.

Come along to find out about the career opportunities that may be available to you.
