Honours Programs in the Research School of Accounting
BComm (Hons) & BAcc (Hons)

Get on the fast track and do an Honours Year

You can study Honours on a full or part-time basis and many employers will allow you to delay your start date to complete an Honours program. All candidates for the BComm (Hons) are automatically considered for School and/or College Scholarships worth $12,500 p.a.

We are trained to think critically and analytically. These skills are beneficial to future careers and that is why many employers prefer students with an honours degree.
